

# Ministry Team Sign-up Form

[Sample Notice to Church Members]:

**An exciting new ministry is beginning as we build our new church home!**

The Ministry of Construction will provide a means of sharing our faith in Jesus Christ with the construction workers on the construction site. We will minister through friendliness, kindness, relationship building, and gratitude using a wide variety of actions which, prayerfully, may open a door to sharing our spiritual life.

This ministry may be the only gospel display that some of our workers ever experience. What a wonderful opportunity to reach out and serve while also strengthening our personal walk with the Lord!

**How will we do this? Here are just a few possibilities:**

- Enlist volunteers to pray at the construction site daily.
- Thank, praise and encourage the workers continually.
- Have Adult Sunday School classes meet at the site to pray.
- Host lunches for the workers on a regular basis.
- Frequently serve coffee and donuts.
- Ask teens to periodically wash the vehicles of the workers.
- Have Children's Sunday School classes make cards of appreciation.
- Plan a special Sunday of Gratitude and invite the workers in order to thank them.

This list is limited only by our imaginations. What an exciting opportunity to serve our Lord through serving the workers He is sending to our site!

*In Him, the whole building is joined together and rises to become a holy temple in the Lord. And in Him, you too are being built together to become a dwelling in which God lives by His Spirit. Ephesians 2:21-22*
